

We are located at [1201 West Peachtree, NW, Suite 2340, Atlanta, Georgia 30309](#). It is the large [One Atlantic Center](#) building on the corner of 14th and West Peachtree.

If Marta is a convenient option, the [Arts Center Marta Station](#) is just one block from our building.

If you prefer to drive, we validate both garage and valet parking so it's free of charge. West Peachtree is a one-way street and both types of parking are on the left side of the street, opposite our building.

The parking garage is marked "[OAC Parking Deck](#)" on the map below. Use the following address to navigate to the parking deck:

Parking Garage Address
1200 West Peachtree
Atlanta, GA 30309

After you park, you may cross West Peachtree to enter the building, or use the underground tunnel that connects the parking garage to the building underneath West Peachtree.

The valet service is right in front of the parking deck. It's called "Regions Building Valet" although it serves both the Regions Bank building and our building.

As you enter the building, there is a large security desk on the ground floor. Bring some form of identification. The security team will be expecting you and will let you up to the 23rd floor. There you will find a receptionist to greet you and let us know you've arrived.

If you have questions, please give us a call at 678-628-8487.
